"You don't need to be a gardener to be a member: Simply someone who cares about our community and the environment."

**"A SHARED SPACE FOR EVERYONE
REGARDLESS OF A PERSON'S AGE, RACE,
RELIGION OR ABILITY"**

The Portland Community Garden believes in building a stronger, healthier, empowered Portland community.

More than just growing amazing produce, the garden is a fantastic focal point of people sharing skills and making real connections.

Benefits of membership:

- Right to vote at AGM
- Right to nominate for board membership
- Discounts on garden materials (EG: Bulk purchases)
- Discounts on plants that are grown on site as the PCG develops hot houses and plant nurseries for member use
- Right to garden beds as they are developed and made available at board discretion
- Discounted opportunities to go on trips to other gardens or events
- Access to water and compost at no additional cost (subject to change by the PCG Board without notice)

Along with the benefits and rights associated with paid membership of the **Portland Community Garden**, each member agrees to participate in whatever way they can to the good management and on ongoing maintenance of the Portland Community Garden.
